

***Did you know your students have the power to save lives?***

Thank you for your interest in helping the Humane Society of Charlotte. Over 2,000 animals enter our facility each year in need of a second chance. We feed them, medicate them and keep them safe. Your students can help save lives of homeless animals by holding and in-kind donation program.

We use over 3,400 rolls of paper towels, 2,500 litter pans and enough dishwasher detergent to wash over 6,200 loads of food bowls each year at our shelter. That adds up to a lot of money spent on everyday products. And that's how your students can help! By creating a donation drive, your students are actively engaged in a community service project that has a real impact on the lives of homeless dogs and cats here in Mecklenburg County. And they can earn a tour of the shelter.

Attached, please find a list of necessary items we're counting on your students to collect. The in-kind donation drive is a tiered system, using the fair market value of each item, to help students reach the program goal.

- Tier 1 =** \$100 value of donations  
At this level, your class will receive a thank you letter from HSC.
- Tier 2 =** \$200 value of donations  
At this level, your class will receive a thank you letter from HSC and a *Certificate of Appreciation*.
- Tier 3 =** \$300 value of donations  
At this level, your class will receive a thank you letter from HSC, a *Certificate of Appreciation* and a tour of the shelter.

At the end of the donation drive, please contact me to coordinate the drop-off of donated items. If you have attained Tier 3 status, we will also discuss scheduling your tour of the shelter.

I hope you enjoy the excitement of the donation drive! Knowing that you are working collaboratively to help save lives of homeless animals in Mecklenburg County will be extremely gratifying. Thank you so much and please contact me if you have any questions.

Sincerely,

Cat Belteau  
Volunteer Coordinator
