Is this as an opportunity to generate contributions for the Humane Society animals? If so, how can we help? Can you donate to offset the costs of the children's materials? (Did you know \$25 will feed four hungry kittens for one week? \$100 will make sure four puppies stay healthy by receiving necessary vaccinations? \$1,500 will sponsor a clean, safe kennel run for a WHOLE year?)

Here's What You Need to Know:

- Due to the number of program requests we receive, please try to schedule programs at least one month in advance.
- We rely on the kindness and generosity of our volunteers to fulfill your request. We may not be able to fulfill all the requests we receive.
- Programs usually last 30 to 60 minutes.
- Our programs are designed to be presented to one class-sized group at a time (fewer than 12 students).
- The Humane Society of Charlotte will review this request and you will be notified within 5 days depending on the availability of our volunteers.
- Please be aware and understanding of the need to restrict where and when animals make appearances. The well-being of our animals is very important. The environment and conditions must be very favorable before approval is given for their involvement.
- Thank you again for all your efforts on behalf of the animals at the Humane Society of Charlotte.
